Bike Hangar Application Form

Employers based in County Durham can apply for a free Bike Hangar.

- The bike hangar is a modern, stylish way to store bikes at the workplace.
- Bikes are secure, out of sight and protected from the elements.
- Each hangar holds up to four bikes.
- Inside the hangar there is a rack to which users lock their bikes.
- The hangar door is also lockable, for extra security. Users are provided with keys.
- The hangars are bolted to the ground. If required, they can be moved easily to a new location.
- The bike hangars are supplied in anthracite grey.

3. LOCATION FOR YOUR BIKE HANGAR

Address where the hangar is to be installed.

Postcode

Please provide a diagram or photograph of the location where you would like the bike hangar installed.

Please tick the boxes to say that you agree to the following:

- A suitably sized space is available. A hangar measures 2200mm (length) x 1800mm (width) x 1300mm (height).
- The location has a level, smooth, solid surface.
- There are no obstructions such as drains or inspection hatches.
- The location is easy and convenient for cyclists to reach and to use.
- The location is your property (or, if you rent or lease premises, the property owner has agreed that a hangar can be installed in this location).

TERMS & CONDITIONS

- The offer of a free bike hangar is limited to employers based in County Durham.
- Individuals and households are not eligible to apply.
- We reserve the right to approve or reject applications at our discretion.
- You are responsible for resolving all land ownership issues and obtaining the necessary permissions to install the bike hangar. You are responsible for preparing the site, ensuring that it is clear, safe, accessible and for the protection of persons and property, including buried services such as pipes and cables.
- The delivery and installation of the bike hangar will be carried out by an appropriately skilled and experienced contractor with due care and diligence, and they will carry appropriate insurance. However, you have ultimate responsibility for health and safety matters and for meeting all relevant legal and statutory obligations.
- Once the hangar has been installed it becomes your property and you are responsible for future maintenance.
